Education **Ph. D., City Planning**, University of California, Berkeley,
Department of City and Regional Planning, 1985.
Concentrations in Housing Economics and Public Finance.

Master in City Planning, Massachusetts Institute of Technology,
Department of Urban Studies and Planning, 1978.
Specialization in Housing Policy Analysis.

Bachelor of Arts, University of Kansas,
College of Liberal Arts and Sciences, 1974.
Special Major in Urban Studies.

Bachelor of Architecture, *Graduated With Distinction*,
University of Kansas, School of Architecture and Urban Design, 1973.

Awards

Journal of Planning Education and Research

One of the "Top Reviewers" 2014.

School of Architecture, Design and Planning Research Impact Award.

University of Kansas, 2012.

Honorable Mention, *Housing Policy Debate* competition for Best Paper in Housing Presented at the 2012 Conference of the Association of Collegiate Schools of Planning.

Phi Kappa Phi, Faculty Initiate, 2012.

Urban Affairs Association Best Conference Paper Award 2004,

Presented at the Annual Conference of the Urban Affairs Association.

Fannie Mae Foundation Award for Best Research in Housing 2002,

Annual Conference of the Association of Collegiate Schools of Planning.

Fannie Mae Foundation Award for Best Research in Housing 1997,

Annual Conference of the Association of Collegiate Schools of Planning.

Jack and Nancy Bradley Award for Excellence in Teaching,

School of Architecture and Urban Design, University of Kansas, 1997.

Research Fellowship, Center for Real Estate and Urban Economics,

University of California, Berkeley, 1984-1985.

Citation as Distinguished Teaching Assistant, Department of City and

Regional Planning, University of California, Berkeley, 1985.

Most Valuable Person Award, Department of City and Regional Planning,

University of California, Berkeley, 1985.

Research Appointments

Senior Fellow. L. P. Cookingham Institute, University of Missouri, Kansas City. 2018.

Member of the Research Network. Shimberg Center for Housing Studies. University of Florida, Gainesville, Florida. 2014 to the present.

Scholar in Residence. United States Department of Housing and Urban Development, Office of Policy Development and Research, 2011.

Member of the Multi-Disciplinary Research Team. (Formerly Research Cadre.) Office of Policy Development and Research, U.S. Department of Housing and Urban Development. 1997 to the present.

Professional Positions

Urban Planning Program, University of Kansas, Lawrence, Kansas.

Professor, July, 2008 to the present.

Associate Professor, July, 1993 to July, 2008.

Assistant Professor, August, 1987 to June, 1993.

Teach courses in housing, community development, real estate investment analysis, and quantitative methods. Conduct research the areas of housing market behavior and public policy in housing, community and economic development.

Department of Policy Development and Research, Boston Redevelopment Authority, Boston, Massachusetts.

Research Analyst, November, 1985 to July, 1987.

Monitored and analyzed housing and office market conditions within Boston. Prepared reports evaluating development policy options. Trained staff in statistical methods and computer assisted analysis techniques. Generated models for improved staff review of development proposals. Provided technical support on developing the housing plans.

Massachusetts Housing Finance Agency, Boston, Massachusetts.

Research Office, July, 1981 to April, 1982.

Mortgage Office, November, 1980 to July, 1981.

Mortgage Analyst, March, 1979 to November, 1980.

Evaluated development proposals under the Section 8 New Construction and Substantial Rehabilitation program. Developed techniques for monitoring current and projecting future construction and operating costs. Prepared reports analyzing various policies and programs affecting MHFA. Provided technical assistance to public and private housing development organizations.

Massachusetts Department of Community Affairs, Boston, Massachusetts.

Program Coordinator, Rental Assistance, Moderate Rehabilitation Program, March, 1978 to March, 1979.

Administered a housing rehabilitation program including program development, funding allocation and provision of technical assistance to local housing authorities throughout Massachusetts. HUD used this program as a model for its Section 8 Moderate Rehabilitation Program.

Northern Ireland Housing Executive, Belfast, Northern Ireland.

Architect/Planner, June, 1974 to April, 1976.

Designed and supervised construction of low-cost public housing projects in and around Belfast. Prepared housing feasibility studies for a redevelopment district of Belfast.

Funded Research Positions: External to the University of Kansas

U.S. Department of Housing and Urban Development, Office of Policy Development and Research.

Principal Investigator, October 4, 2016 to July 31, 2017.

Conduct research on the determinants of how long households stay in federally assisted rental assistance housing programs.

Amount: \$43,537

U.S. Department of Housing and Urban Development, Office of Policy Development and Research.

Principal Investigator, June 4, 2015 to September 17, 2015.

Conduct research on data available on Section 8 Project Based Rental Assistance projects.

Amount: \$15,877

U.S. Department of Housing and Urban Development, Office of Policy Development and Research.

Scholar-in-Residence, September, 2011 to December, 2011.

Conduct research on assisted housing programs.

Provide a series of lectures to HUD staff on housing market behavior.

Amount: \$7,500

Mid-America Regional Council

Investigator, May, 2011 to August, 2011.

Conduct research on housing affordability issues in the Kansas City Metropolitan Area.

Amount: \$9,500

U.S. Department of Housing and Urban Development, Office of Policy Development and Research.

Principal Investigator, September, 2010 to February, 2011.

Conduct research on the effect of housing assistance on the count of households with worst case housing needs.

Amount: \$28,400

U.S. Department of Housing and Urban Development, Office of Policy Development and Research.

Principal Investigator, October, 2008 to August, 2009.

Conduct research on the ability of Housing Choice Voucher Program to locate in neighborhoods with high levels of opportunity.

Amount: \$38,964 (Originally \$24,445, HUD increased the scope of work.)

Greater Kansas City Foundation.

Investigator, August, 2007 to July, 2008.

Conduct research on affordable housing needs in Kansas City North.
Amount: \$30,000 (McClure's share of \$100,000 grant.)

U.S. Department of Housing and Urban Development, Office of Policy Development and Research.

Principal Investigator, September, 2004 to August 2005.

Conduct research on deconcentration of poverty through home ownership programs.
Amount: \$39,912

U.S. Department of Housing and Urban Development, Office of Policy Development and Research.

Principal Investigator, May, 2001 to February, 2003.

Conduct research on the deconcentration of poverty through housing programs.
Amount: \$11,200

U.S. Department of Housing and Urban Development, Office of Policy Development and Research.

Principal Investigator, January, 2003 to February, 2003.

Conduct research on the housing cost burden among Housing Choice Voucher program participants.
Amount: \$11,200

Kauffman Foundation.

Investigator, September, 2001 to the July, 2002.

Prepare an analysis of housing finance strategies for greater Kansas City.
Amount: \$1,250

Lincoln Land Institute of Land Policy and the U.S. Department of Housing and Urban Development.

Investigator, May, 1999 to May, 2000.

Develop a method to monitor and regulate the flow of space into commercial real estate markets.
Amount: \$3,500

U.S. Department of Housing and Urban Development, Office of Policy Development and Research.

Principal Investigator, September, 1997 to July, 1999.

Conduct research on the performance of Fannie Mae and Freddie Mac in their efforts to assist low-income and minority homebuyers.
Amount: \$32,745

U.S. Department of Housing and Urban Development, Office of Policy Development and Research, Community Outreach Partnerships Program.

Investigator, October, 1997 to the December, 1998.

Conduct research on the spatial mismatch between assisted housing and jobs in Kansas City, Missouri.

Amount: \$13,158

Department of Planning, City of Lawrence, Kansas.

Principal Investigator, December, 1997 to June, 1998.

Generate model describing the growth in the supply of and the demand for retail space.

Amount: \$3,500

Fannie Mae Foundation.

Principal Investigator. May, 1997 to September, 1997.

Evaluate the effectiveness of the Low-Income Housing Tax Credit program.

Amount: \$3,500

Kansas Department of Commerce & Housing.

Principal Investigator, May, 1996 to December, 1996.

Analyze survey data from a study of impediments to fair housing in Kansas.

Amount: \$3,000

KCI/Northland Chamber of Commerce.

Principal Investigator, March, 1996 to June, 1996.

Conduct research on the value of investment in infrastructure as an economic development tool for the area.

Amount: \$4,672

Kansas Department Commerce, Office of Housing.

Principal Investigator, June, 1992 to June, 1993.

Prepare the Comprehensive Housing Affordability Strategy for the State of Kansas.

Amount: \$18,000 (McClure's share of a \$93,000 grant.)

Funded Research Positions: Internal to the University of Kansas

*General Research Fund, University of Kansas***Principal Investigator, 2007.**

Poverty deconcentration through federal housing programs.
Amount: \$1,536

*General Research Fund, University of Kansas***Principal Investigator, 1999.**

Development of a method to monitor and regulate the flow of land in commercial development markets.
Amount: \$2,566

*General Research Fund, University of Kansas***Principal Investigator, 1998.**

The Low-Income Housing Tax Credit program as an aid to affordable housing.
Amount: \$3,033

*General Research Fund, University of Kansas***Principal Investigator, 1995.**

Housing vouchers versus housing projects: Comparing long-term costs.
Amount: \$2,249

*General Research Fund, University of Kansas***Principal Investigator, 1991.**

The Mortgage Credit Certificate program as an aid to housing affordability
Amount: \$1,500

*New Faculty Research Fund, University of Kansas***Principal Investigator, 1988.**

Evaluation of the Mortgage Revenue Bond Program Implementation Strategies
Amount: \$1,500

Consulting Positions

Mid-America Regional Council, Kansas City, Missouri

Consultant, April, 2016 through September, 2016.

Conduct research on affordable housing issues for the implementation of the Affirmatively Furthering Fair Housing tool in the Kansas City metropolitan area.

City of Galveston, Texas

Consultant, April, 2013 through September, 2013.

Conduct research on replacement of public housing destroyed by Hurricane Ike.

City of Harrisonville, Missouri.

Consultant, April, 2008 to June, 2008.

Prepare a housing affordability study

Planning Works, LLC.

Consultant, February, 2006 to May, 2006.

Prepare an Analysis of Impediments to Fair Housing for the city of Rome and Floyd County, Georgia.

Homeowners Association of Papillion, Nebraska.

Expert Witness, November, 2004.

Testify in state court for residents of Papillion, Nebraska in a spot zoning case.

Planning Works, LLC.

Consultant, July, 2004 to May, 2005.

Prepare a Consolidated Plan for Cedar Rapids, Iowa.

Capital Needs Unlimited.

Consultant, March, 2000 to May, 2001.

Prepare a HOPE VI application for the Housing Authority of Kansas City, Kansas.

Freilich, Leitner & Carlisle, LLC.

Consultant, August, 1999 to May, 2000.

Prepare a Consolidated Plan and Public Housing Agency Plan for Cedar Rapids, Iowa.

Department of Planning, Johnson County, Kansas.

Consultant, March 1999.

Analyze the fiscal impact of a proposal for incorporation of a new town.

U.S. Department of Housing and Urban Development, Office of Policy Development and Research and the Center for Urban Policy Research, Rutgers University.

Consultant, December, 1995 to October, 1997.

Conduct research on the use of housing vouchers as a relocation resource to prepare a troubled assisted housing project for demolition.

Housing Authority of Kansas City, Missouri and Howell Associates.

Consultant, January, 1996 to June, 1996.

Conduct a study of housing affordability problems in Kansas City, Missouri.

Avenue Area, Inc., CDC, Kansas City, Kansas.

Consultant, August, 1993 to August, 1994.

Assist an inner-city community development corporation in preparing an application for federal Neighborhood Development Program funds.

Department of Housing and Community Development. City of Kansas City, Missouri and Ochsner, Hare & Hare.

Consultant, June, 1991 to August, 1991.

Assemble and analyze data and assist in the preparation of Kansas City's Comprehensive Housing Affordability Strategy.

City of Overland Park, Kansas.

Expert Witness, June, 1991 to August, 1991.

Provide testimony on the viability of zoning for the development of multi-family housing within the city.

On-Site Insight Planning and Development, Norwood, Massachusetts.

Consultant, August, 1985 to November, 1985.

Assemble and analyze data on the cost savings of manufactured housing.

Center for Real Estate and Urban Economics, University of California, Berkeley.

Research Assistant, December, 1982 to July, 1984.

Computer assisted statistical analysis for research projects.

Office of Property Equalization, City of Boston, Massachusetts.

Analysis Specialist, May, 1982 to August, 1982.

Prepare statistical analysis of real estate transactions and property values within the City of Boston.

City of Cambridge, Massachusetts.

Staff to the City Council Committee on Rent Control, February, 1977 to December, 1977.

Assemble data and prepare reports on the impact of the Cambridge Rent Control Ordinance.

Publications: Articles in Peer Reviewed Journals

The Housing Choice Voucher Program and Proximity to Jobs. With Michael Lens and Brent Mast.

Cityscape, forthcoming.

Examines extent to which Housing Choice Voucher households who are in the work force move to areas offering high employment opportunities.

What should be the future of the Low-Income Housing Tax Credit Program?

Housing Policy Debate 29(1): 65-81, 2019.

DOI: 10.1080/10511482.2018.1469526

Evaluates the LIHTC program in terms of the quality of the locations where units are placed as well as the need for units in these locations and suggests possible reforms.

The Allocation of Rental Assistance Resources: The Paradox of High Housing Costs and High Vacancy Rates.

The International Journal of Housing Policy. Published online May, 2018.
DOI: 10.1080/19491247.2017.1362756

Examines the mismatch between housing market conditions in most metropolitan areas of the United States and the federal housing programs designed to remedy housing problems.

Length of Stay in Assisted Housing.

Cityscape 20(1): 11-38, 2018.

Examines how long different groups of housings remain in assisted housing once admitted and the likely causes for the increases in these lengths of stay.

Vouchers and Neighborhood Distress: The Unrealized Potential for Families with Housing Choice Vouchers to Reside in Neighborhoods with Low Levels of Distress. With Alex Schwartz and Lydia Taghavi.

Cityscape 18(3): 207-227, 2016.

Examines the variation by race in the ability of female-headed families with Housing Choice Vouchers to locate in neighborhoods with low levels of distress.

Housing Programs Fail to Deliver on Neighborhood Quality Re-examined. With Bonnie Johnson.

Housing Policy Debate 25(3): 463-496, 2015.

Updates a landmark study by Newman and Schnare on the quality of neighborhoods experienced by households in assisted housing.

Housing Choice Voucher Location Patterns a Decade Later. With Alex Schwartz and Lydia Taghavi.

Housing Policy Debate 25(2): 208-214, 2015.

Re-examining the characteristics of census tracts where Housing Choice Voucher households locate, updating a HUD study from 2003.

Which Metropolitan Areas Work Best for Poverty Deconcentration with Housing Choice Vouchers.

Cityscape 15(3): 209-236, 2013.

Examination of the variation between metropolitan areas in terms of the proportion of Housing Choice Voucher households entering low-poverty census tracts.

Reducing Worst Case Housing Needs with Assisted Housing,

Cityscape 14(3):189-194, 2012.

Estimates the reduction in households with Worst Case Needs for housing assistance with the introduction of incremental housing assistance.

The Prospects for Guiding Housing Choice Voucher Households to High-Opportunity Neighborhoods.

Cityscape 12(3): 101-122, 2010.

Addresses the availability of high-quality neighborhoods for an expanded use of Housing Choice Vouchers as a means to achieve poverty deconcentration.

Rethinking Federal Housing Policy. With John Landis.

Journal of the American Planning Association 76(3): 319-348, 2010.

Invited article outlining needed changes in federal affordable housing policy.

Are Low-Income Housing Tax Credit Developments locating where there is a shortage of affordable units?

Housing Policy Debate 20(2): 153–171, 2010.

Lead article in a forum on the locations of Low-Income Housing Tax Credit units.

Deconcentrating Poverty with Housing Programs.

Journal of the American Planning Association 74(1): 90-99, 2008.

Article selected in a national competition for publication in a special issue on the future of housing policy.

The Low-Income Housing Tax Credit Program Goes Mainstream and Moves to the Suburbs.

Housing Policy Debate 17(3): 419-446, 2006.

Lead article in a forum on the evolution of the Low-Income Housing Tax Credit program.

Comments on Victoria Basolo and Mai Nguyen's, 'Does Mobility Matter?'

Housing Policy Debate 16(3 & 4):347-359, 2005.

Invited comments as part of a forum on housing vouchers and mobility.

Rent Burden in the Housing Choice Voucher Program.

Cityscape 8(2): 5-20, 2005.

Examination of the nation's largest rental assistance program to identify which households suffer a high housing cost burden.

Deconcentrating Poverty through Homebuyer Finance Programs.

Journal of Urban Affairs 27(3): 211-233, 2005.

Examination of the ability of homebuyer initiatives to assist very low-income homebuyers to enter neighborhoods with low poverty levels.

Deciphering the Need in Housing Markets: A Technique to Identify Appropriate Housing Strategies at the Local Level.

Journal of Planning Education and Research 24(4):361-378, 2005.

Presents a methodology for planners to identify housing supply and demand mismatches leading to better implementation of affordable housing programs.

Section 8 and Movement to Job Opportunity: Experience After Welfare Reform in Kansas City.

Housing Policy Debate 15(1): 99-131, 2004.

Analysis of the extent to which welfare reform encourages housing voucher households to move to neighborhood with greater employment opportunities.

The Twin Mandates Given to the GSEs: Which Works Best, Helping Low-Income Homebuyers or Helping Underserved Areas?

Cityscape 5(3): 107-143, 2001.

Analysis of Fannie Mae and Freddie Mac loans in assisting low-income and minority borrowers and underserved areas.

The Low-Income Housing Tax Credit as an Aid to Housing Finance: How Well Has It Worked?

Housing Policy Debate 11(1): 91-114, 2000.

Analysis of the ten-year performance of the LIHTC program.

Helping families move: Relocation counseling for housing-voucher recipients with David P. Varady, Carole C. Walker, Janet Smith-Heimer, and Sherry Larkins.

Netherlands Journal of Housing and the Built Environment 14(1): 33-59, 1999.

Demonstrates that counseling is an integral part of using housing vouchers in a relocation process.

Housing Vouchers versus Housing Production: Assessing Long-Term Costs.

Housing Policy Debate 9(2):355-371, 1998.

Presents research finding that rental housing production programs cost about 40 percent more than comparable voucher programs.

Mortgage Credit Certificates as an Aid to Housing Affordability.

Journal of Planning Education and Research 12(2): 127-137, 1993.

Compares the mortgage credit certificate program to the mortgage revenue bond program in terms of costs to the government and benefits to the subsidized households.

Estimating Office Demand: Comparing Alternative Forecast Methodologies.

The Journal of Real Estate Research 6(3):305-314, 1992.

This paper examines alternative methods to forecast demand for office space comparing econometric models to more commonly used projections.

Low and Moderate Income Housing Tax Credits: Calculating their Value.

Journal of the American Planning Association 56(3): 363-369, 1990.

Analyzes the value of low-income housing tax credits so that local planners may estimate the need for additional subsidy.

A Research Note on the Capitalization of Mortgage Revenue Bond Benefits.

The National Tax Journal XLII (1): 85-88, March, 1989.

Calibrates the extent to which sellers raise the price of homes sold where the buyer is financed through the proceeds of mortgage revenue bonds.

Changing Consumption in the Rental Housing Market with Changes in Household Composition.

Housing & Society 16(1):33-46, 1989.

Analysis of the market distribution of rental housing by family type, income and race.

Implementation of Linkage Programs: The Planner's Role in Real Estate Research and Regulation.

Journal of Planning Education and Research 8(1): 45-52, 1988.

Examines a case study of the implementation of Boston's linkage programs and its implications for teaching real estate development.

Publications: Invited Essays in journals, articles in non-peer reviewed journals and reports

The Future of Housing Policy: Fungibility of rental Housing Programs to Better Fit With Market Need.

Housing Policy Debate, 26(3): 486-489, 2017.
DOI: [10.1080/10511482.2017.1298212](https://doi.org/10.1080/10511482.2017.1298212)

Invited essay on possible directions for future housing policy.

Comment on “What is a ‘Great’ Neighborhood? An Analysis of APA’s Top Rated Places”.

Journal of the American Planning Association, 81(3): 233-234, 2015.

Invited commentary on an article published in the *Journal of the American Planning Association*.

The Future of Research on Assisted Housing for the Poor.

Housing Policy Debate, 25(4): 802-805, 2015.
DOI: [10.1080/10511482.2015.1043088](https://doi.org/10.1080/10511482.2015.1043088)

Invited essay on possible directions for future housing research.

Exploratory Study of HUD’s Project-Based Rental Assistance Transfer Authority, Research Report for EconSys, Inc. and U.S. Department of Housing and Urban Development. September 14, 2015.

Review of HUD data to assess the potential for transfer of subsidy contracts.

Reduction of Worst Case Housing Needs by Assisted Housing.

Report for the U.S. Department of Housing and Urban Development, Office of Policy Development and Research, February, 2011

Estimates the reduction in Worst Case Housing needs with the introduction of incremental housing assistance in metropolitan housing markets.

Housing Affordability in Greater Kansas City.

Research report for the Mid-America Regional Council, August, 2011.

Review of American Community Survey and Census data on housing markets.

Housing Choice Voucher Marketing Opportunity Index: Analysis of Data at the Tract and Block Group Level.

Research report for the United States Department of Housing and Urban Development, Office of Policy Development and Research, February, 2010.

Analysis of the potential to move voucher households to low-poverty neighborhoods.

Mixed-Income Housing versus Low-Income Housing.

Conference Proceedings 2003, American Planning Association, August, 2003.

Review of the benefits and problems confronting mixed-income housing.

Mixed-Income Housing versus Low-Income Housing.

City Matters, Urbanicity electronic journal of UN Habitat Best Practices and Local Leadership Programme, July 2003.

Revised version of APA conference presentation.

Housing Needs in Kansas.

Kansas Government Journal 89(4):107-109, April, 2003.

Review of housing needs in Kansas, especially for the low-income households.

Interview with HHS Member Kirk McClure.

Housing and Human Services Quarterly, Newsletter of the Housing and Human Services Division of the APA, March 2001.

Interview on the performance of planners in preparing HUD mandated Consolidated Plans.

Excerpt from 'The Low-Income Housing Tax Credit as an Aid to Housing Finance' in *Housing Policy Debate*.

NAHMA News, July/August, 2000.

Excerpt of article on the Low-Income Housing Tax Credit program.

The Twin Mandates Given to the GSEs: Which Works Best, Helping Low-Income Homebuyers or Helping Underserved Areas?

United States Department of Housing and Urban Development, Office of Policy Development and Research, Government –Sponsored Enterprises Study Series, Study Number GSE-003, October, 1999.

Analysis of Fannie Mae and Freddie Mac loans in assisting low-income and minority borrowers and underserved areas.

Managing Growth of Retail Commercial Space.

Public Investment March, 1998.

This study provides planners tools to manage the growth of retail space.

Publications: Book Chapters and Encyclopedia Entries

Subsidized Rental Housing Programs in the US: A Case of Rising Expectations.

In *Handbook of Housing Policy and Planning*. Edited by Katrin B. Anacker, Mai Nguyen, and David Varady. Routledge, forthcoming.

This chapter examines the changing goals defined for federal rental assistance programs.

Chapter 14. Federal Housing Policy.

In *Introduction to Housing (Second Edition)*, edited by Katrin B. Anacker, Andrew T. Carswell, Kenneth R. Tremblay, and Sarah D. Kirby, The University of Georgia Press. 2018.

A review of federal affordable housing policies and programs

Chapter 6. Planning, Housing Supply and Affordable Developments in the USA. With Nicole Guran and Glen Bramley.

In *Urban Planning and the Housing Market: International Perspectives for Policy and Practice*, edited by Nicole Guran and Glen Bramley, and published by Palgrave MacMillan, 2017.

Entries for Housing Finance Agencies, Low-Income Housing Tax Credits, Mortgage Credit Certificates, Mortgage Revenue Bonds, and Tax Incentives.

In *Encyclopedia of Housing second edition*, Andrew T. Carswell, editor, Sage Publications, 2012.

Encyclopedia entries on several prominent federal affordable housing programs.

Should Low-Income Housing Tax credits and Housing Choice Vouchers be Fungible?

In *Affordable and Fair Housing Policy in the US*. Brill series, Studies in Critical Social Science. Robert Silverman and Kelly Patterson (editors), 2011.

Chapter argues that states should be allowed to trade tax credits for vouchers if needed.

Entry for the Low-Income Housing Tax Credit Program.

In: Susan J. Smith, Marja Elsinga, Lorna Fox O'Mahony, Ong Seow Eng, Susan Wachter, Gavin Wood, editors. *International Encyclopedia of Housing and Home*. Oxford: Elsevier; 2012.

Encyclopedia entry on the Low-Income Housing Tax Credit program.

Monitoring Retail, Office and Industrial Markets.

In *Land Market Monitoring for Smart Urban Growth*, Gerrit Knaap, editor, Cambridge, Massachusetts: Lincoln Land Institute, 2002.

Provides techniques for planners to monitor the growth of retail markets.

Managing the Growth of Retail Space: Retail Market Dynamics in Lawrence, Kansas.

In *Downtowns: Revitalizing the Centers of Small Urban Communities*, Michael Burayidi, editor, Boston, MA: Irwin McGraw-Hill, 2001.

Analysis of methods to manage retail market growth.

Creston Place, Kansas City, Missouri

In *Case Studies of Voucher-Out Assisted Properties*, Center for Urban Policy Research of Rutgers University and the Office of Policy Development and Research, U.S. Department of Housing and Urban Development, 1998.

Case study of relocating tenants from a troubled housing project using vouchers.

Housing Bonds, Housing Finance Agencies, Mortgage Credit Certificates, Mortgage Revenue Bonds, Syndication, and Tax Incentives.

Entries in *Encyclopedia of Housing*, Willem van Vliet, editor, Sage Publications, 1998.

Encyclopedia entries for multiple approaches to financing affordable housing.

Real Estate Investment Analysis

In *Spreadsheet Models for Urban and Regional Analysis*, Richard E. Klosterman, Richard K. Brail and Earl G. Bossard, editors, New Brunswick: Rutgers University Press, 1993.

This chapter and its spreadsheet template perform analysis of real estate investment.

Capitalization of the Benefits of Mortgage Revenue Bonds: Reconciliation of Conflicting Empirical Evidence.

In *Mortgage Revenue Bonds: Housing Markets, Home Buyers, and Public Policy*, Dan Durning, editor, Norwell, Mass.: Kluwer Academic Publishers, 1992.

Examines the administration of mortgage revenue bond programs.
